A Witness Story

I was fortunate to attend the Jubilee Mission hosted by Bishop Riesbeck on June 2nd to 4th. On the second day, Bishop Riesbeck focused on prayers for healing. He taught us on how to do the intercessory prayers over another person for any ailments that person may have by doing Thanksgiving, Blessings and Asking our Lord. We then practiced on me. I had a person on each side praying over me for healing for my knees. During the prayers, I felt tingling in my knees and the upper parts of my legs. Then I had a warm feeling in my knees followed by a cool one. I had a sensation of peace that poured out on me. Since then, my knees have been so much better.

On Sunday, June 8th, I was speaking with two parishioners from St. Dunstan Church who also attended the Mission. I mentioned about pain I had on my shoulders and I could not raise my arms over my head because of the pain and that I forgot to ask prayers for healing in my shoulders at the mission. One of the parishioners said, can we pray over you and do the intercessory prayer? I said yes of course - wonderful. So, we were standing together and they both put their hands on my shoulders and asked the Holy Spirit to come over me especially as it was Pentecost. They did the TBA format prayers and at one point I felt like I was going to fall sideways. I had so much energy pouring over me. Later that afternoon, we were doing service for a reception at church and I raised my arms over my head to grab something and I realized I had no more pain at all. It was truly a miracle. Thank you, Holy Spirit and Bishop Riesbeck, for teaching us this miraculous way of praying. It truly works if we put all our faith in God 🙏 - from a faithful parishioner
