## Hermitage Cemetery 499 Woodstock Road, Fredericton NB

Established in 1870, The Hermitage Cemetery provides a permanent resting place for the mortal remains of our dearly departed as well as comfort for the living. Nestled on the bank of the beautiful Saint John River, The Hermitage Cemetery provides a peaceful and respectful place for family members to visit with their loved ones and experience more deeply their eternal gift of life. More and more we are seeing people wanting a number of interment options, so we now offer the choice of Traditional Burials or the placement of cremated remains in our new Columbaria Site.

Visit our office at The Monsignor Boyd Family Centre, 120 Regent Street, to find out more about what we can do for you and your loved ones.

The Hermitage Cemetery is open daily from dawn to dusk from May 1<sup>st</sup> through November 30<sup>th</sup>.
